

Registration Form

The Maine Credit Union League's **Young Professionals Network (YPN)** is a statewide initiative to provide networking, development and growth opportunities for Maine's young credit union professionals. Membership is open to Maine credit union professionals 21-40 years of age. Provided as a dues-supported service to MECUL member credit unions, there is no cost to join the network!

Membership in the network gives you the opportunity to network with other young credit union professionals, and access to information on professional development opportunities designed specifically for young professionals. There may be nominal fees for off-site meet-ups and educational speaker presentations.
