

REQUEST FOR SILENT AUCTION DONATIONS TO BENEFIT CULAC

Our annual **Legislative Forum** is being held on **Wednesday November 13**, at the Harraseeket Inn in Freeport. The keynote speaker will be **Steve Forbes**, Chairman and Editor-in-Chief of Forbes Media. Ryan Donovan, CUNA's Chief Advocacy Officer will also speak to at the Forum.

Once again, in conjunction with the Forum, we will be holding a **Silent Auction to benefit CULAC**. Currently, we are looking for donations to be auctioned off during the event. Popular items to donate include: gift certificates, specialty gift baskets, sporting event or concert tickets, or coupons for services.

If you are able to donate an item, please forward your donations to my attention at your League by **Friday, November 1**, and include a completed copy of this form with each item you donate. This will be of great assistance when we catalog your items and compile bid sheets. If you have any questions, please contact Ellen Parent at your League at 207-773-5671 ext 353, or via email at eparent@mainecul.org.

We need your help to remain effective in our efforts to support friends of credit unions running for office and ensure that the credit union message is heard! Thank you!
