

Annual Ending Hunger Convention Golf Tournament May 16, 2024 Purpoodock Club

The League is pleased to announce we are holding our Annual Ending Hunger Golf Tournament on **Thursday, May 16**, to coincide with [Convention](#). We are excited to be teeing off at [Purpoodock Club](#) in Cape Elizabeth, just a few miles away from the Holiday Inn By the Bay, for the first time with a shotgun start, best ball format!

Please follow the steps below to lock in your sponsorship and/or golf team.

PAYMENT

The price for this year's tournament is: **\$225 per person** or **\$800 to enter 4 players** (*a savings of \$25 per person, or \$200 total, for a four-person team*). Payment can be processed directly through the registration page using a credit card, or you can opt to pay by check or with your credit union's Tricorp account (see instructions for these two options below).

REGISTER ONLINE TODAY

Visit <https://campaignforendinghunger.org/golftournament2024> to sign up and view event information.

The online registration format makes it more convenient for golfers to secure their team and add registration information for each player. Credit unions also can lock in their event sponsorship online as well.

Given the popularity of the tournament, we encourage you to act quickly and **register today to guarantee a team**. Credit unions are asked to limit their registration **to one foursome only**, **unless they sponsor at a level that comes with two teams (the Course Champion Sponsor only)**.

USING THE REGISTRATION PORTAL

Please note that if you wish to sponsor *and* purchase separate golf tickets if your sponsorship does not include a foursome, you will have to purchase your sponsorship and golf tickets separately – they are not combined in one checkout process. Please follow the steps below to secure your sponsorship, golf team, and/or both. Checkout is also separate for mulligans and ball tosses, which are limited to one of each per player.

Paying by Check or Tricorp – PLEASE REVIEW CLOSELY

At checkout, golfers and sponsors have the option to pay by credit card.

For **sponsors**, if you'd like to pay via check or Tricorp please email Lauren McCallum at lmccallum@mainecul.org and Jen Burke at jburke@mainecul.org. We will process your registration on the back end. If you plan to use a credit card, please proceed on the website.

NOTE: Even if you pay with a promo code, you may still be asked to enter credit card information. If you are paying via check or Tricorp, enter the corresponding promo code and your discount will apply; you will not be charged to the card you enter if you use either code and click "Apply." Please be sure it notes the full cost is covered after you apply the code before proceeding.

Participants also can choose to pay by check or with their credit union's Tricorp account. If you prefer to pay by check or Tricorp, you must enter the promo code **Check** or **Tricorp** in the Promo Code box and click **Apply** before you click the **Reserve Tickets** button to "checkout."

Become a Sponsor

To help meet the Campaign reach its fundraising goals for 2024, sponsorship support for major events like the golf tournament is critical. We hope you will consider being one of our event

sponsors. Sponsorship opportunities are on a first-come, first-serve basis and are a great way to show your support of the Campaign!

Similar to the golf registration process, **all sponsorships should be secured using the golf tournament website**. From the tournament [website](#), click the **Become a Sponsor** tab on the left navigation bar. This page will allow you to see the list of all **sponsorship** opportunities available. **You can purchase tickets for a foursome or individual golf player elsewhere (outlined further down). Please note only the Course Champion sponsorship comes with golf foursomes. You do not need to buy golf tickets if your sponsorship comes with golf, but if you sponsor at any other level and would like to enter a team, please follow the instructions below.**

Please feel free to share our website with your vendors and area businesses if you think they might be interested in serving as a sponsor. **Sponsorship opportunities will close at the end of the day on April 5.**

The site will ask you to create an account before you can “checkout.”

It also will ask you to supply the names of the golfers on your team. We recognize you may know all the members of your team at this point. That information can be provided later by returning to the confirmation email you will receive upon purchasing and managing your tickets. You can also log in to your account to manage tickets assigned to you. Providing team email addresses and phone numbers is optional, however **we strongly encourage it, so all team members receive messages and notifications sent both through the website and from the League.**

If your credit union registered a team last year, you may already have an account. If you have forgotten your login information, simply choose “forgot password” upon logging in and you will receive an email that helps you get back into your account. The interface looks different this year, as the software was updated, but if you had an account for online registration and/or auction bidding, you would have the same log in credentials.

Purchase Your Golf Tickets

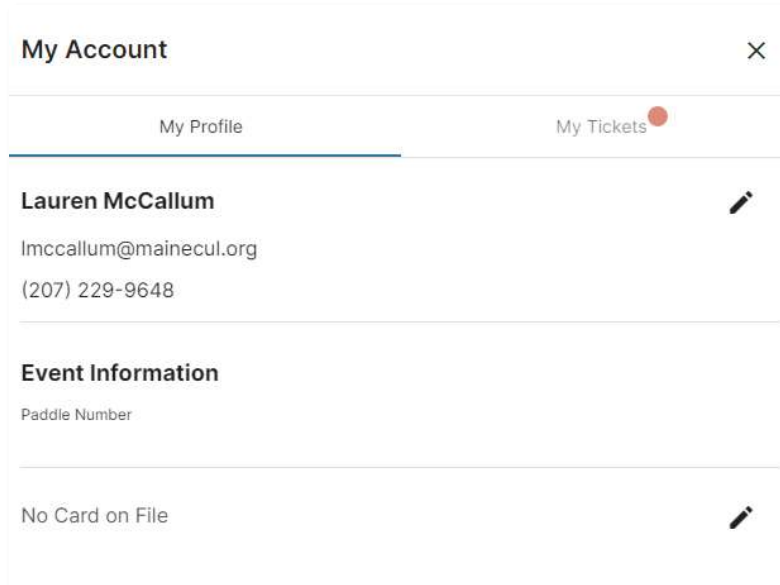

Tickets for golf foursomes and single players can be found by navigating to the **Get Tickets** button on the top right-hand corner of your screen.

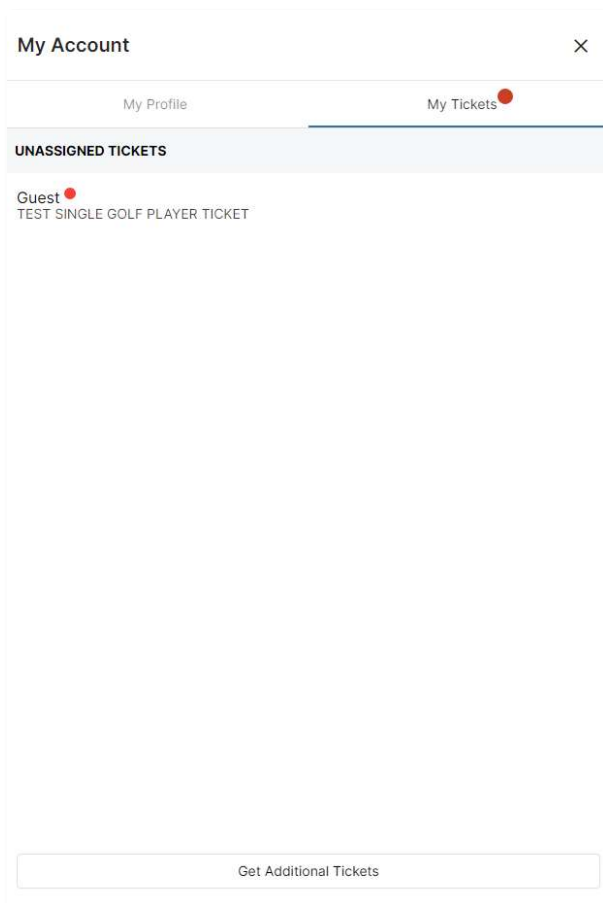

This will bring up a window where you can choose to add these ticket items to your cart. *Again, we ask that credit unions only purchase one foursome unless sponsoring at the Course Champion level.*

Once you have made your ticket choices, click **Next** and enter your credit card information. If you are paying by **check** or **Tricorp**, please follow the steps below. Once all information is entered, click the **Pay \$X** (it will show your total) and move on to enter golfer information.

You will be asked if one of the tickets purchased is for you. If it is, click **Yes** and enter your information. If not, you can enter the information of your credit union’s golfers where prompted. If you do not know who will be golfing or would rather enter the information later, you can do so by returning to your purchase confirmation email and/or logging in to the website, navigating to **My Account** in the top right-hand corner, and managing your tickets, as shown below.

Manage your profile here.

As seen here, if you navigate to **My Tickets** you can click on your ticket and assign them. This is where you can also choose your **ticket options** if you previously did not do that.

At the bottom of this popup window, you'll see a button to purchase additional tickets if you need them.

ONLINE AUCTION

The Campaign will conduct a silent auction with our golf event. While the items will be displayed at the League's Convention at the Holiday Inn by the Bay, all bidding will be conducted online. This will give more people a chance to bid on items supporting the Campaign.

We hope your credit union will consider donating an item for our auction. Additional **details about the auction will be shared next month**, however, a placeholder for our auction is posted on our golf website.
